GUIDANCE FOR BUILDING WORK THAT DOES NOT REQUIRE A BUILDING CONSENT

The Ministry has issued some new guidance on **work that can be carried out without a building consent**. The guidance document can be found at the below address;

<http://www.building.govt.nz/assets/Uploads/projects-and-consents/building-work-consent-not-required-guidance-3rd-edition.pdf>

There is a direct link to this on our ICC website – www.icc.govt.nz under **Building / Work that does not require a building consent**

Due to the size of the document we unfortunately don't have full paper copies available to hand out to the public.

You can also view the guidance by scanning the Q R Code here on your phone or tablet. Note the document is 2MB in size.
