

# INVERCARGILL LICENSING TRUST

## Electing 6 Board Members

---

### **Alan DENNIS**

My principal place of residence is in the INVERCARGILL LICENSING TRUST area.

President of your Trust and Chairman of ILT Foundation for 12 years, it's a privilege to lead the positive impact each has made in our community.

The diversity of the 400-plus organisations we support annually leaves no aspect of Invercargill life untouched. I'm incredibly proud of that and passionate about representing you.

Your Trust is a key partner in creating the unrivalled assets our city has. With innovative plans for the future, my experience will be a driving force in our on-going success.

After four terms as a City Councillor, I have strong networks with the ICC and other funders and believe a collaborative approach ultimately benefits our city.

As we continue attracting world-class events to ILT Stadium, we must focus on future proofing with provision for new accommodation.

Your Trust is a unique icon and it's my quest to leave it in an even stronger position for future generations.
