

INVERCARGILL CITY COUNCIL

Electing 12 City Councillors

Andrew LEYS

My principal place of residence is in the INVERCARGILL CITY COUNCIL area.

Having moved to Invercargill in 1996 I have long called Southland home. With 20 years' experience in organisational leadership and governance, including with Southland Credit

Union more recently as CEO of Hospice Southland. I have enjoyed the opportunity to drive positive change for my community.

I believe Invercargill has an incredibly proud history of resilience and we are at our best when we face our challenges with a positive outlook. Being a Past President of the Southland Chamber of Commerce and current President of the Employers Association, I believe I can provide positive leadership at the Council table as we seek to achieve the ambitious plans mapped out by the SoRD's Committee for the good of all Southlanders. When we pull together as a community, with determination and pride, we have shown we can conquer all. I'd be proud to represent you and provide positive leadership at our Council.
