

INVERCARGILL CITY COUNCIL

Electing 12 City Councillors

Brent FRASER

My principal place of residence is in the INVERCARGILL CITY COUNCIL area.

Hi, I'm Brent Fraser.

After returning home to Invercargill two years ago, I have a clear vision of where I'd like to see our city go - forward.

From the freezing works to a mechanics workshop and later in TV, I've worked in many different industries alongside people from all walks of life.

As an award-winning journalist, I've developed my interpersonal skills to connect, convince and convey people's stories to the world. Now it's time for me to communicate your story, on your behalf.

Committed to providing more facilities for both young and old, I would like to see our city become more accessible and develop as a tourist destination. As well as a downward rates adjustment for our loyal aging population, I will work towards solutions to ensure our beautiful backyard is intact for future generations to enjoy.

So let's carry on the conversation, and let me be your voice.
