

INVERCARGILL LICENSING TRUST

Electing 6 Board Members

Carl E HEENAN

My principal place of residence is in the INVERCARGILL LICENSING TRUST area. I am also standing for Invercargill City Council.

We urgently need to address the lack of Progress around the shortage of Accommodation if our City is to Host Major Events.

In 2017 our City is to Host the World Shearing Champs and also our Country is to Host the 'English Lions Rugby Tour' and the '2017 Rugby League World Cup' is being held here in NZ.

This issue of not having enough Accommodation to host Events and Conferences is a major concern. 'We need Progress Now' and not to keep stalling this issue anymore this could effect our Long Term ability to Host future Events.

I have been involved with the 2011 Rugby World Cup, 2015 ICC Cricket World Cup and the 2015 FIFA U-20 Soccer World Cup as a Volunteer.

I am a Volunteer with St John Health Shuttle, Street Appeal Collector for Local and National Community Groups, Resthome Volunteer at Peacehaven. I am also a Freemason.
