

INVERCARGILL CITY COUNCIL

Electing 12 City Councillors

Graham LEWIS

My principal place of residence is in the INVERCARGILL CITY COUNCIL area.

Pharmacist at Baillie & Lewis.

Currently on Council seeking re-election.

Current responsibilities include - Chair of Audit and Risk Committees; Community Services, Policy

and Finance Committees; Chief Executive Appraisal Committee; Creative Community Committee.

Other activities that benefit the community - Trustee Hospice Southland, involvement since Hospice started; Active Bluff 2024 member; interest in South Alive; HEARTsafe Committee; Grey Power Committee.

My spare time is largely taken up with projects that benefit Invercargill and making time to discuss matters of concern with individual ratepayers when approached.

Working as a Pharmacist I get to see the real side of life and can equate to many aspects and general demands of life. I think this has made me a good Councillor who can understand residents' concerns. I listen to reason and act accordingly.

I'm proud to live in Invercargill and respectfully ask for your vote again.
