

# INVERCARGILL CITY COUNCIL

## Electing 12 City Councillors

---

---

### **Graham SYCAMORE**

My principal place of residence is in the INVERCARGILL CITY COUNCIL area.

My experience in Business, Council, Rotary and Sports Management over the last 40 plus years has imbued me with Integrity, Impartiality and Independence. I believe these attributes lead to

good governance, an essential attribute for making sound, sensible decisions.

My career as an International Cycling Commissaire (including Olympic and Commonwealth Games) took me to many cities around the world which have all provided another level of experience.

I believe Invercargill is a great place to live, work and play but there is always room for improvement. My mission has always been to 'Make Invercargill an Even Better Place'. I fully support the SoRD's initiative and look forward to working together with all parties to achieve a desirable outcome.

I now seek re-election for a further term.

**Vote Graham Sycamore for Invercargill City Council - I'm for Invercargill.**
