

INVERCARGILL LICENSING TRUST

Electing 6 Board Members

John Norman Philip YOUNG

My principal place of residence is in the INVERCARGILL LICENSING TRUST area.

It's the Board function to distribute ILT profits and gaming funds in our community, leaving operational matters to ILT management. I'm proud we've returned 48% of those funds - more than any New Zealand other funder - and I'm proud of the projects we've supported. Sure sport is important - but it's not all about sport - a great community also needs art, education and, much as we wish it wasn't so, health and welfare assistance. We need to take care of those who can't help themselves - with or without fur. I'm proud of the part I've played in making Invercargill City the most affordable place to live in New Zealand, as I'm proud of the role I've played in supporting Southlanders like world champion power lifter Sonia Manaena test their mettle on a world stage, and investing in a world class SPCA facility. Invercargill truly is a city where dreams are possible.
