

INVERCARGILL CITY COUNCIL

Electing the Mayor

Karen ARNOLD

My principal place of residence is in the INVERCARGILL CITY COUNCIL area. I am also standing for Invercargill City Council.

Invercargill deserves a future-focused leader who is dynamic, insightful and prepared to commit to the job fulltime.

As Mayor, I'll be effective from the get-go, introducing a new culture that encourages, supports and inspires the whole council organisation to put the needs of you, and our community, first. To do that, I'll draw from the experience I've gained as a City Councillor, and from an entire life spent living and working in Invercargill.

During the past three years on Council, I've proven my ability to understand complex issues, contributed willingly, and learned to work collaboratively with my Council colleagues.

I've established positive and professional relationships with key staff, and both community and business leaders throughout the south.

Most importantly, I've developed a genuine desire to lead our city into an even brighter future - a city that we are all proud to call 'home'.

Proven experience counts. Vote Karen Arnold:
