### **Mike MIKA**

My principal place of residence is in the INVERCARGILL LICENSING TRUST area.

For continued integrity, enthusiasm and hard work.

I have had the privilege of being a Trustee and the Deputy President of the ILT Board for the past

six years.

As a lawyer, ex international rugby player, Cultural Trust member and family man, I have a wide array of experiences, talents and skills. These attributes will enable me to continue to contribute positively to the ILT if re-elected.

I am a friendly individual who is able to interact easily with people from all backgrounds. I am always willing to listen to and discuss new ideas.

I am excited about the future of Invercargill and believe the ILT remains an integral part of our City's continued growth and success.
