

INVERCARGILL CITY COUNCIL

Electing 12 City Councillors

Peter KETT

My principal place of residence is in the INVERCARGILL CITY COUNCIL area.

I am currently - City Councillor and Chairman of the Events Committee; Vice President Age Concern Southland; Trustee Southland Waste Busters Trust; Committee St John HEARTsafe; Life

Member Invercargill Harness Racing Club.

I will continue to stand up and ask the questions and keep on asking until I get satisfactory answers.

The time is right for Council to be involved in the build of state of the art pensioner housing at NO cost to the ratepayer. There are options available. A lot of interest has been shown.

We finally own Rugby Park. Rugby Park and Donovan Park are great places to hold FREE family friendly events. Both venues are ideal for what is planned and talks are well underway.

Invercargill is a GREAT place to live, a GREAT place for children and a GREAT place to retire but we can make it even GREATER!
MAKE THINGS HAPPEN - VOTE KETT.
