

**INVERCARGILL CITY COUNCIL
BLUFF COMMUNITY BOARD
Electing 5 Board Members**

Ray FIFE

My principal place of residence is in the BLUFF COMMUNITY BOARD area.

As a first term Community Board member I have enjoyed the challenges we have faced and the involvement working with and for members of our community.

I am proud to be representing our community and passionate about Bluff's future. Take a common sense and caring approach to the community's concerns with experience and willingness to work hard in the best interests of the community.

I will do all I can to see Bluff develop and grow further.

I am committed to working effectively with all community groups and Invercargill City Council.

I have had the privilege of representing the community over the past three years and with your support a further opportunity to play a role in our towns continuing success and ensure that Bluff is an even better place to live in.
