

# INVERCARGILL CITY COUNCIL

## Electing 12 City Councillors

---

### **Rebecca AMUNDSEN**

My principal place of residence is in the INVERCARGILL CITY COUNCIL area.

I want Invercargill to be a thriving and resilient city where people participate in their community and where Council, businesses and people go the extra mile to create a great lifestyle. Serving on the City Council for the past three years has been a privilege. I would like to continue to serve the people of Invercargill and give back to my community. I have learned a lot and worked hard to show how quality community engagement can benefit everyone. Now we need to drive the city forward with a community-driven vision and decisive actions that consider the present as well as the future needs of Invercargill residents and businesses. I am driven by a desire to make a positive difference, I am a leader in the community and I believe Invercargill is a place where dreams are possible.
