

INVERCARGILL CITY COUNCIL

Electing 12 City Councillors

Rosie HALLIGAN-VAN RIEL

My principal place of residence is in the INVERCARGILL CITY COUNCIL area.

My place of residence is Invercargill City, where I live with my husband of 37 years. I was born and bred in Invercargill and spent 27 years in Christchurch, including almost 20 years working in Local Government before returning home to my roots. I also serve as a JP.

I have a passion for getting things done and will bring an intelligent, positive energy to Council.

Invercargill City has a good reputation nationally for our Council, nonetheless we can always improve. The really important issues in our city are Water Quality, Business and Social matters. The plans in the Southland Regional Development Strategy will make our city a more vibrant place that attracts people to live, work, study and play/visit here. If elected to Council, I promise you, the voters, honesty, integrity and openness at all times. I do know how Local Government works. I won't let you down.
