

INVERCARGILL LICENSING TRUST

Electing 6 Board Members

Sean BELLEW

My principal place of residence is in the INVERCARGILL LICENSING TRUST area.

I seek your support for re-election to the board of the Invercargill Licensing Trust.

Currently I have served two terms or 6 years in total. The first term (3 years) was a learning curve, the second term implementing action and this new term will be about the execution and follow through of the numerous proposals on the Board table. In my time with the Invercargill Licensing Trust we have offered consistency and equally proportioned reward and return to the city. My background in Real Estate offers commercial strength to the table and my career choice keeps me very current in terms of 'what's happening in the city' in all demographics. In summary, don't change for the sake of change, when running a multi million dollar business, it helps to have a member that advocates for the people and understands the business. Putting it simply, vote Bellew for value I.L.T.
