

INVERCARGILL LICENSING TRUST

Electing 6 Board Members

Suzanne PRENTICE

My principal place of residence is in the INVERCARGILL LICENSING TRUST area.

The next three years will see some major changes to the face of Invercargill. These changes will ultimately affect you, your family and the organisations you belong to. It's important for our city to grow, be visionary and to keep moving forward, but it's just as important, if not more so, to look after the people living in it.

While I enjoy having input into the big decisions for the city, my heart is with the smaller groups and organisations we are lucky enough to have. To see their events enjoy success or to represent us in an event outside of Invercargill is hugely important to me.

I have supported Invercargill all my life and I sincerely hope I can continue to help people get their projects across the line in my capacity as a Board Member of the ILT.
