## Electing 6 Board Members

---

### **Tom DOWLING**

My principal place of residence is in the INVERCARGILL LICENSING TRUST area.

A born and bred Southlander I have lived in Southland most of my adult life.

I have been involved in business and sporting activities from playing to coaching and also

management.

The public owned ILT is supporting approximately 400 organisation's to achieve their goals and aspirations, and I have a desire to strengthen the Board and promote the Trust in a positive manner and to help develop different aspects to the Trust's operations after all it is a public owned organisation.
