

Elles Road Intersection Safety Improvements

Come and have your say!

The NZ Transport Agency is currently looking at increasing the safety of the State highway 1 (SH1) and Elles Road Intersection. This will likely be in the form of a new roundabout. Options for upgrading the nearby Lake Street intersection are also being considered.

How can you help?

We would really like to hear what you think of the proposed design and any ideas that you feel would make it even better. To help with this we are holding a drop-in session in Invercargill.

Where to go

South Alive Community Hub,
South City Mall, Corner of Elles Rd
and Grace St Invercargill

Drop by with your ideas on
Wednesday 27th September
anytime between 3pm and 7pm.

You can find more details about this project at www.nzta.govt.nz/elles
