

## **P25 Linkage Reserves Omnibus Management Plan – Current Policy**

### **3.19 CAMPING**

Camping is only permitted on reserves administered under the Reserves Act 1977 in the Invercargill District in camping grounds specific to that purpose. Potential problems resulting from campers on reserves include toilet waste disposal, rubbish and damage to parks.

There are registered camping grounds on reserves in Bluff and at Sandy Point, as well as other private facilities, that provide adequate camping grounds for visitors to the City.

#### Objectives:

- *To conserve the public health, well being and safety of the public while on the reserve.*
- *To ensure the public have equity of use over reserves under the Council's control.*
- *To prohibit camping in the reserve.*

#### Policies:

- 3.19.1 Camping is not permitted on reserves within this Management Plan.
- 3.19.2 In special circumstances, camping on the reserve for one off events may be approved by Council resolution.

### **Proposed Policy Change**

- 3.19.1 Camping is not permitted on reserves except in approved areas such as Stead Street Reserve as indicated on the plan for the purposes of a NZ Motor Caravan Association site.
