

It's Parks Week!

Healthy environments make for healthy people - let's get out and about to Discover Our Parks for Parks Week 2019!

Meet our awesome Parks Rangers and follow them on an adventure of fun and learning!

We have some amazing green spaces, join us to find out how you can make the most of them.

Heaps of great community groups and organisations are joining our events during the week too!

Bring the whole family and check out what's happening at each event - you might like to bring along a bike, your pet or your smart device.

Pick up a passport at any Discover Our Parks event during Parks Week!

Get it stamped at as many events as you can, then pop it in the draw to win some awesome prizes!

Grand prize is a private family tour of our Queens Park animal reserve!

For more information, contact Parks on (03) 219 9070 or check our Facebook page: www.facebook.com/DiscoverOurParks
