

## Building Consent – Vehicle Crossing Form

Date: \_\_\_\_\_ Building Application No. \_\_\_\_\_

Address: \_\_\_\_\_

1. The property is:  
Commercial  
Residential
2. Is there a properly constructed crossing serving the site?  
Yes  
\*No
3. Is the property changing from residential to commercial?  
\*Yes  
No
4. The existing crossing is:  
In correct location  
\* To be upgraded  
\* In wrong location  
\* No longer needed
5. No crossing exists, I require a crossing \_\_\_\_\_ metres wide to be constructed

**If crossing works are required, please arrange for the work to be constructed by one of the Council approved Crossing Contractors listed on the attached Vehicle Crossing Information (Urban) or (Rural).**

**\* An application for a crossing is required. Please complete the attached form.**

**Note:**

*It is a legal requirement that a properly constructed crossing is in place before cars or vehicles drive over the kerb and berm to the property. (Local Government Act 1974 s335).*

*Crossings greater than 25% of frontage require special dispensation from Council and your Contractor will apply for this.*

Name of the Applicant: \_\_\_\_\_ Signed: \_\_\_\_\_
