APPLICATION FOR USE OF STREET FRONTAGE OR ROADWAY FOR MOBILE FOOD VENDORS, STALLS & STREET DAYS

This application is under the provisions of Local Government Act 2002 - Invercargill City Council Bylaw 2015/3 - Roading and Traffic 5. 5.1 Signage, Vehicles and goods on road.

Please Note: The following conditions are to be followed:

- All sites must be safe for pedestrians and person with disabilities, during placement/removal of street stall or mobile food trailer and immediately afterwards.
- Any damage to footpaths, vehicle crossings, trees and road frontages must be immediately reported to the Council Roading Department.
- The Foundation for the Blind must be notified prior to any placement of stalls on the street frontage or roadway. Contact number is 0800 243 333.
- A Temporary Traffic Management Plan in compliance with NZTA Code of Practice for Temporary Traffic Management may be required for approval, where the activity is deemed to be affecting traffic. These are to be sent to the Engineering Services Group at Invercargill City Council.
- At least a 1.8m footpath clearance must be retained between the stall or mobile food trailer and any existing structure, tree, parking meter etc.
- The Street Stall/Mobile Food business cannot operate when activities or events are being held on neighbouring properties or road reserve without permission of the adjacent neighbouring business or property owners.
- Mobile Food vendors must operate from the kerbside and not have customers in a live traffic lane.
- The applicant must remove all rubbish at the end of each working day.
- The applicant must advise one of our Quality Assurance Officers, email esgqualityassurance@icc.govt.nz when the work is complete and the stall or mobile food trailer is removed.

FAILURE TO COMPLY WITH ALL THE CONDITIONS WILL RENDER THIS PERMIT INVALID
