Invercargill CITY CENTRE News

ISSUE 39 August 8, 2019

THERE HAVE BEEN PLENTY OF BUSINESSES ON THE MOVE LATELY!

Our City Centre Co-ordinator, Shru Shrivastava, along with our graphic designers, have produced this handy map so you can find out where your favourite shop or eatery has moved to. We'll be regularly updating the map and providing it to retailers in the CBD to put in their windows or hand out to shoppers. If you own a business which has moved, and would like to be included on the map, please email shru.shrivastava@icc.govt.nz

Invercargill CITY COUNCIL

Council will deliberate on whether to invest up to $30 million in the proposed city block development next week.

A full Council meeting is set down to begin at 3pm on Monday August 12, and will likely continue from 3pm on Tuesday, August 13.

Council will consider reports and recommendations from staff, having already heard submissions on the proposal in mid-July.

A decision on the proposed investment is expected at the meeting.
