INFORMATION

Temporary Managers

- In any case where a Duty Manager is ill or is absent for any reason, or is dismissed, or resigns, the licensee (the licence holder) may appoint as a Temporary Manager a person who is not currently the holder of a manager's certificate.
- The person appointed must apply for a new manager's certificate within two working days of the start date of the appointment.
- If the District Licensing Agency does not receive a manager's certificate application within two working days, or if the application is refused by the Agency, the licensee must terminate the appointment accordingly.

Acting Manager

An Acting Manager is a person appointed by the licensee who is not the holder of a manager's certificate but is required to act as a Duty Manager for a defined period of time.

An Acting Manager may be appointed by the licensee as follows:

- For a period not exceeding three weeks at any one time where a Duty Manager is ill or absent for any reason.
- Where a Duty Manager is on vacation or annual leave, the maximum length of appointment is an aggregate of six weeks in each 12 month period.

It is not necessary for an Acting Manager to apply for a manager's certificate, although the District Licensing Committee does require the appointed person to have some knowledge of the Act.

Notification

For all terminations and appointments of Duty Managers, or if an appointment of a Temporary or Acting Manager is for more than 48 hours, written notification must be made within two working days to the District Licensing Committee and Police.

A copy of any manager's certificate must be supplied for new appointments of Duty Managers whose certificate was not issued by the Invercargill District Licensing Committee.

Records

Every licensee is required by Section 232 of the Act and by Section 25-26 of the Regulations in respect of each manager, acting manager or temporary manager appointed for the premises, to record the name, appointment type, the date on which the appointment occurred, date on which the appointment ceased, reason for the appointment, was there a dismissal or resignation of a manager, were the two agencies (Police, DLC) notified, and if so what was the date.
