# Spooky Saturday SUCCESS!

**HUNDREDS** of little goblins and ghouls delighted in the activities during Spooky Saturday in the CBD on Saturday. Many thanks to all the local businesses and organisations who helped us make this event such a success! ## New faces for Holdco, IAL boards

**INVERCARGILL** City Holdings Limited is pleased to announce the appointment of three new directors.

Grant Lilly has been appointed as chair of Invercargill Airport Limited and Peter Carnahan and John Schol have been appointed as directors on Invercargill City Holdings Limited.

Mr Lilly has an extensive background in the aviation and tourism industries, having just completed terms as a board

member on the Queenstown Airport Corporation and Civil Aviation Authority and Aviation Security Service.

In addition, Mr Lilly has previous experience in management roles within airlines and tourism operations generally.

The Board of Invercargill City Holdings Limited considers that Mr Lilly is well placed to guide Invercargill Airport Limited as it seeks to take advantage of the opportunities available to it as

a result of the strong stewardship and relationships that have been developed by Tommy Foggo during his time as chair.

Mr Carnahan has a broad range of board and senior management experience that will be of assistance to Invercargill City Holdings Limited.

Mr Schol is the chief executive officer of Malloch McClean and will add to the breadth of the board capacity.

## Bring your neighbourhood together with the Neighbourhood Fund

BY MARY NAPPER

Manager – Community Development

THE year is drawing to a close as we rush towards summer and those long evenings. Have you thought about doing something to bring your neighbourhood together, to have some fun or just gather and chat, and relax. This fund is also available for more formal revitalisation projects.

The Neighbourhood Fund is there to help. There is a form to be completed but you don't have to be a formal group. We are looking for people with an idea, a dream or just a wish to get together as a Neighbourhood.

Visit [www.icc.govt.nz/community/funding-awards-grants/](http://www.icc.govt.nz/community/funding-awards-grants/)

Applications are always open for this fund and we plan to consider applications within three weeks of receiving applications.

## Proposed local alcohol policy

BY MICHAEL MORRIS

Acting Manager – Environmental Health

ON Monday 4 November 2019 ICC, together with the Southland District Council, will publicly notify the new Proposed Local Alcohol Policy (LAP).

This is a joint Policy from both councils setting our rules and guidelines for alcohol related activities. It covers matters such as engagement between Sensitive Premises (schools, churches and residential use) and those seeking a licence, as well as trading hours for all types of licences and provides for a range of conditions that a District Licencing Committee can impose on a licence.

This is the second Joint LAP for Southland and Invercargill, the first being adopted in 2016. The Policy was reviewed for effectiveness during that time and most parties agreed that it is effective and all agreed it is a good thing to have.

The Proposed LAP will be subject to any appeals from 4 November until 6 December 2019. Any party who submitted on the draft LAP may lodge an appeal with the Alcohol Regulatory and Licensing Authority. If no appeals are lodged then the LAP will be available for adoption on 6 December 2019.

## Youth Council annual report

THE Invercargill Youth Council is pleased to release their 2019 Annual Report. The report is written by youth council members and the staff who support the youth council.
