

# Invercargill City Centre Seismic Strengthening Fund Application

## Category - Strengthening Works

### 1. Applicant details

1.1 Name:

---

1.2 Contact address:

---

1.3 Phone - Home:

Mobile:

---

1.4 Email:

---

1.5 Provide a brief description of the work you are requesting funding for:

### 2. The building

2.1 Building address:

---

2.2 Building owner name and contact details (if different to applicant):

---

2.3 What is the building currently used for? Will this use change? (If so, please explain):

---

**2.4** Has Council notified you that your building is either:

Potentially earthquake-prone?

Earthquake-prone?

---

**2.5** Summarise your overall upgrade objectives for the building:

### 3. Description of Proposed Works

**3.1** Briefly tell us about the earthquake resistant capacity of your building, and the extent of seismic assessment undertaken. Please attach your seismic assessment for reference.

---

**3.2** Summarise the building's critical structural weaknesses, and refer us to page(s) in the attached seismic assessment so we can verify this:

**3.3** Summarise the proposed strengthening works, and refer us to page(s) in your supporting documentation so we can verify this:

---

**3.4** State the seismic strength target (%NBS) on completion of works:

---

**3.5** Comment on the extent of work beyond that which would achieve a seismic strength of 34% NBS:

---

**3.6** Does this work require any types of consents and, if so, do you currently hold these consents?

---

**3.7** Summarise what impact your upgrade objectives will have on the building's heritage values, both positive and negative:

---

**3.8** What are the likely commencement and completion dates for work?

## Part Four - Funding

4.1 Please attach the following documents:

- a) Project costing form
- b) Itemised quotes or estimates prepared within the past three months, from recognised professionals, for the project.
- c) Evidence you can meet or bridge the full cost of the advice you are seeking funding for.

4.2 Total cost of strengthening works: \$

4.3 How much funding are you seeking within this fund? \$

**PLEASE NOTE:**

*Strengthening works projects can receive up to 50% of strengthening costs to a maximum grant of \$50,000.*

4.4 If practical, please note the cost of work beyond that which would achieve a seismic strength of 34% NBS:

\$

4.5 Contribution of owner: \$

4.6 What other sources of funding have you sought from other parties for this project? Please indicate the result of any applications and provide evidence of any grants received:

Funder	Amount requested	Is it confirmed? If yes, how much?
Heritage EQUIP	\$5,000.00	Yes - \$5,000.00

4.7 GST number (if applicable):

## 5. Declaration

I confirm that the details supplied in this application are true and correct to the best of my knowledge, and agree and understand that:

- Compliance with all applicable regulatory requirements is the responsibility of the applicant.
- The property will be made available for inspection of the heritage values and the proposed works.
- The applicant will provide further information as required to substantiate or assess the case for funding.
- The grant will be paid upon completion of the proposed works. The applicant will report back to Council within one month of the completion of works, providing proof of paid invoices and receipts.
- Works must be completed within 12 months of the successful application.
- No material information has been deliberately omitted or withheld from this application.
- Information supplied as part of this application may be made publicly available, and if successful, may be used for publicity purposes.
