

# Durability Modification Application Form

(Section 67 – Building Act 2004)

Site Address ..... BC:.....  
 .....  
 Owner: ..... Phone:.....  
 Agent/Contact: .....

Relevant clause(s) NZ Building Code:.....B2.....

I..... (*Full name*) request that the ICC grant a modification in accordance with Section 67 of the Building Act 2004 to modify the start date for durability requirements for the NZ Building Code Clause B2 for the building work under the above building consent.

It is understood that the durability timeframe for building elements that typically starts from the issuance of the CCC will be modified to start on the year the work was substantially completed and that is *date.....month.....year:.....*
