

I am a senior partner in Cruickshank Pryde, practising in the areas of business, property and Family Law. I am also on the New Zealand Family Courts panel of Lawyer for Child and am also a youth advocate. I am a NZ Law Society Family mediator.

I am a member of the NZ Rugby Union Appeals Council and I chair the Southland Rugby Union Appeals and Board selection panels. I am the conduct commissioner for Southland Cricket.

I am also a singer songwriter having written and recorded 2 albums. I have performed in many venues around the City.

I am standing for the ILT as I have a passion for Southland and am a strong supporter of the Trust.

The Trust has been a successful organisation for many decades and the challenge is to keep it relevant and successful in difficult and changing times.
