

Find our plants...

What did the rose text her best bud? I'm all dressed up and nowhere to grow.

Nowhere to go? How about poppy-n to the park to help us find the hidden plant markers around the parks? If you find three or more, you'll earn yourself a Parks: Horticulture badge and go in the draw to win our weekly prizes.

Ok , Bloomer get out there you've got this.

How to make a rubbing:

Place this sheet over the marker.

Hold a pencil (or crayon) at an angle against the paper and rub.

(Don't worry if your rubbing looks a bit blurry - that's how it's supposed to look).

Submit your completed entry to the Bluff Service Centre, Library or Civic Administration Building to get your badge and enter the weekly prize draw.
