APPLICATION FOR USE OF STREET FRONTAGE OR ROADWAY FOR CONTAINERS & SKIP BINS

This permit is granted pursuant to an application under the provisions of Section 145 Local Government Act 2002 – Invercargill City Council Bylaw 2022 – Roading and Traffic 6. 6.1 Leaving Objects on the Road.

Council requests that the following conditions be advised to your contractor working within the Road Corridor.

The conditions are:

- No work (excavation or the like) within the road reserve is to commence until written approval is obtained from the Road Corridor Manager. The owner, or their contractor, shall submit details of how they will protect Council assets. A Corridor Access Request (CAR) may be required.
- Footpaths, vehicle crossings, trees and road frontages are to be inspected by Road Corridor Manager prior to placement and after removal of the containers/skip bins. At minimum 48 hours' notice of a request for an inspection is required.
- Footpath, vehicle crossings and road frontages must be protected from damage by covering with heavy timbers or similar.
- All sites must be safe for pedestrians and person with disabilities, during placement/removal of containers/skip bins and immediately afterwards.
- At least a 1.8m footpath clearance must be retained between the container and any existing structure, tree, parking meter etc.
- Any damage to footpaths, vehicle crossings, trees and road frontages must be immediately reported to the Road Corridor Manager. The reinstatement of damaged areas is to be undertaken as soon as practicable, unless approval from Council (in writing) is given. Any damage shall be repaired by an approved contractor to the satisfaction of the Road Corridor Manager.
- Foundation for the Blind must be notified prior to any placement on the street frontage or roadway. Contact number is 0800 243 333.
- A Temporary Traffic Management Plan in compliance with NZTA Code of Practice for Temporary Traffic Management be submitted for approval, to Road Corridor Manager, Invercargill City Council, at least 5 working days prior to any container or skip bin placed on road.
- Specific lighting may be required in some instances.
- The applicant must advise our Road Corridor Manager, email corridormanager@icc.govt.nz when the work is complete and the container or skip bin is removed.

FAILURE TO COMPLY WITH ALL THE CONDITIONS WILL RENDER THE PERMIT INVALID
