

Invercargill Licensing Trust

Electing 6 Board Members

Paddy O'BRIEN

My principal place of residence is in the Invercargill Licensing Trust area.

A born and bred Southlander I have spent the majority of my working life living in Invercargill. I've had a varied career starting as a police officer, then a professional Rugby Referee and

now working in High Performance Referee Management. From my two terms as a Trustee on the Invercargill Licensing Trust I'm aware of both the challenges and opportunities that lie ahead for the hospitality industry.

Married to Carolyn we are excitedly awaiting the birth of a grandchild in October. I'm a volunteer Board Member at Calvary Hospital and have been heavily involved in the fundraising for the Hawthorndale Dementia Village. This is a project I'm particularly proud of as the dream becomes a reality with civil works due to commence in September this year.

I am proud of the contribution the ILT makes to the city and I would welcome the opportunity to be involved in its future.
