

Invercargill City Council

Electing the Mayor

Ria BOND

Independent

My principal place of residence is in the Invercargill City Council area. I am also standing for Councillor - ICC.

Our elected members have an enormous influence on how things run in our city, what projects are given priority, and where investments go. The mayor is responsible for policies, budgets, promoting our community, to represent its people, to exemplify strong, reliable leadership. Councillors are responsible for understanding and implementing principles of good governance in decision making, not get involved in operational matters, to maintain respect.

Ria is a Former New Zealand First List MP based in Invercargill who has actively advocated for members of the Invercargill public throughout her role. Ria has a strong business and governance background. This experience is indisputable. It's time to move our city and image forward to put Invercargill first. I am running for Mayor and need your vote. I have the skillset, experience, decisive leadership to lead our city. Everything we do as leaders should always be about the people who we represent.
