

# Invercargill Licensing Trust

## Electing 6 Board Members

---

---

### **Mark BILLCLIFF**

My principal place of residence is in the Invercargill Licensing Trust area.

My name is Mark Billcliff, I am a father to 2 wonderful young children. I have lived and worked in Invercargill for over 20 years after returning home to NZ from my cricket career in

the UK.

I have worked in various commercial and operational senior management positions within Southland along with involvement on community Boards. I am currently employed as a secondary school teacher. I enjoy the lifestyle change that this brings along with an opportunity to nurture our future leaders. Invercargill is a fantastic place to live, work and raise a family. This is made possible by the marvellous Invercargill people along with the ILT providing vast opportunities that other provinces do not get.

I am seeking election as I want to give back to the ILT and help drive and support investment in our community.

I will be a positive and revitalised addition to the ILT Board.
