

# Invercargill Licensing Trust

## Electing 6 Board Members

---

### **Kirsten DIACK**

My principal place of residence is in the Invercargill Licensing Trust area.

I am seeking to be elected to the ILT where I will provide a unique perspective to the wellbeing and growth of our city.

I was born and raised in South Invercargill and as a mother to 12 year old Olivia it is important to me to provide an innovative and vibrant future for her as well as the whole Invercargill community.

Working as a Specialist, Project Manager, Advisor and Analyst for local government including ICC, SDC, Great South and other organisations across New Zealand has given me a variety of skills including legislative understanding, governance and analytical knowledge which I will use to support the growth and wellbeing of the Invercargill community.

I'm extremely passionate about ILT adequately representing the Invercargill community it serves and I believe that everyone should have a voice including our elderly, youth and all of the community we stand for and represent.
