

Invercargill City Council

Electing the Mayor

Tom MORTON

My principal place of residence is in the Invercargill City Council area. I am also standing for Councillor - ICC.

Positivity and Harmony

These are the key words an Invercargill electorate desperately need to hear after years of

infighting.

My major skills and abilities come from being in business, sales, events and training for various organisations, throughout the globe. In 1998, focused on family, became an adventurer, teaching my sons to be formidable gentlemen until they travelled overseas, one returning back to Invercargill, NZ.

Have been asked repeatedly to run for mayor, as the current council are not cohesive.

Social media has put me in public eye rather positively and unexpectedly.

ODT(23/07/22) Now he is one of Invercargill's most recognised faces.

Having lived in many major developed capitals of the world, seeing clearly what is needed to take Invercargill to the next level, over the next 10 years.

Many reports say Invercargill's economy desperately needs 10-20,000 more Kiwis.

Vote for me to steward Invercargill to this stimulating future.

Mr Tom Morton
