

Invercargill City Council

Electing 12 City Councillors

Dave LOUDON

My principal place of residence is in the Invercargill City Council area.

I am Dave Loudon and have lived in Invercargill for ten years. I have governance experience serving on a community board in Central Otago , and health boards in NZ and Australia and also served on a cemetery board .

I have been a Rotarian for 16 years and this has enhanced my governance skills . My focus on council would be ensuring that it makes Invercargill a great place to live and enjoy . Council spends your money, so the decisions on how that is done should be sound . With your support I will work hard for ratepayers so they are well served . My aim is to be part of a positive team that ensures our city prospers and all voices are heard around the council table. Vote for me and I will serve diligently.
