## Electing 12 City Councillors

---

### **Alex CRACKETT**

Independent

My principal place of residence is in the Invercargill City Council area.

Energetic, excited and completely dedicated to driving Invercargill forward, I would be honoured to be re-elected and continue to work tirelessly for the future of Invercargill.

Armed with strength of character, youthful perspective and personal integrity, I will continue to employ fiscally responsible leadership and strive to ensure the interests of ratepayers and residents always come first.

I have learned a great deal over the past six years and continue to serve and remain steadfast in attendance and commitment. Prior to becoming a Councillor, I pledged action toward urban rejuvenation, innovation, community engagement and delivering our core services better. We have made great progress but there is much that remains.

Moving forward, we need a strong voice committed to protecting our assets, delivering optimal reform outcomes and planned infrastructure projects, Museum, City Centre Rejuvenation and 3 Waters.

With experience, energy and courage I stand for the future of Invercargill.
