

Invercargill City Council
Bluff Community Board
Electing 5 Board Members

Ray FIFE

My principal place of residence is in the Bluff Community Board area.

I have been privileged to serve three terms on the Bluff Community Board.

It is rewarding to represent the community and understand what's involved in being an elected representative.

I believe that Bluff has incredibly proud history and we are at our best when we face our challenges with a positive outlook. Our community is a great place to live, work and raise a family, but there is always room for improvement. There are always issues that need to be addressed. These issues are important to the community, and I will continue to pursue an outcome.

I have worked hard to show how community engagement can benefit everyone and I will work towards ensuring the needs of the wider community are always to the forefront.

I want to raise our community to its full potential, inspire pride, through my knowledge, experience, and strong leadership.
