

Invercargill Licensing Trust

Electing 6 Board Members

Angela NEWELL

My principal place of residence is in the Invercargill Licensing Trust area.

A proud Southlander, with strong ties to the community, I consider it a privilege to serve on the ILT. Currently I am Deputy Chair.

My commitment to the community can be seen in my voluntary governance roles in Healthy Families Invercargill, Enrich@ILT, Shakespeare in the Park and Arts Murihiku. Complementing this are my decades of work in the education, events and arts sectors.

With a clear vision, continual improvement through innovation and prudent investment, being open to trends and opportunities and anticipating risks, the ILT Group has successfully managed difficult times recently. We have worked hard to establish The Langlands Hotel, look after our 600+ employees and return over \$6million to 400+ community organisations and projects.

It's Your City, Your Trust. Re-elect me and I will continue to support ILT's mahi in advancing the economic and social prosperity of Invercargill.
