### **Kevin MULROONEY**

Independent

My principal place of residence is in the Invercargill City Council area.

I am Kevin Mulrooney, a pharmacist who has served your community for over 30 years.

I would feel privileged to work for the people of Invercargill.

If elected my focus would include: Rubbish and Recycling collection for Otatara; A boat ramp for Bluff; Engagement with the Ministries of Health, Immigration and Local Government for the benefit of city residents; Supporting a continuing recycle contract with Recycle South

I am married to Cindy and between us we have four adult children, a daughter-in-law and three grandchildren.

For 25 years I have been a member of the Rotary Club of Invercargill South and was a trustee board member at two Invercargill secondary schools. I have established a network of people who do not have any problem sharing their opinions on issues. I value these conversations.

I will work to achieve the best outcome for the people.
