

Invercargill City Council
Bluff Community Board
Electing 5 Board Members

Monica TORETTO

My principal place of residence is in the Bluff Community Board area.

Having lived in Bluff for more than seven years, but admiring and visiting for much longer, I value, appreciate and respect not just its location and unique environment, but also the close knit community of this exceptional historic place. This community is known for and prides itself on looking after each-other, in good times and in bad, and it's this working together as team mentality that spurred me on to accept this nomination to stand for the Bluff Community Board. I believe the wellbeing of the community has a direct affect on the wellbeing of the environment, and it's through Bluff based projects, organizations and special interest groups that we will make a difference in not only our own immediate environment, but be seen as leaders in what can be done together. I will do my utmost to represent the Bluff community should I be privileged to be elected.
