Electing 5 Board Members

Miguel FERNANDEZ

My principal place of residence is not in the Bluff Community Board area.

I am a born and bred Southlander who has spent a lot of time in Bluff over the years. A former freezing worker and now welder fabricator by trade. My voice and the voice of many I know is not being represented in our local community, tired of this, I'm putting my hand up to stand for the basic freedoms that seem to be dwindling before our eyes. Ensuring what we value is preserved and the community's needs are put first.
