Terina STOCKWELL

My principal place of residence is in the Bluff Community Board area.

Energetic, approachable, excited and completely dedicated to driving Bluff forward.

Bluff is my Turangawaewae and has been my home for 29 years. During my travels around the world, I always found that nothing quite compares to our little slice of paradise which brought me to buying my home here in 2019.

I can envision Bluff thriving with a little TLC providing more excitement for locals and visitors. I strive to ensure the interests of our residents are upheld.

Aside from caring about what happens in our town, I can also offer leadership, open mindedness, inclusion, a youthful perspective and voice. Although there is plenty of work to do, I believe it can be done, making Motupōhūe the place we all want it to be.

Together we can grow, develop and move Bluff into the future.
