

Invercargill City Council  
Bluff Community Board  
Electing 5 Board Members

---

**Murray CHRISTENSEN**

My principal place of residence is in the Bluff Community Board area.

My name is Murray Christensen. I am an Omaui resident I am employed as a milking machine technician in Invercargill and am a part time beekeeper.

I am concerned with the direction that our beautiful country is heading in. With our Kiwi way of life being yanked from under us. The destruction of our communities and democracy is devastating this country right before our eyes and we need to stand up as community to push back against this trend.

I believe in communities finding solutions to local problems. If we don't stand strong, we will lose our voice through centralisation to regional and national centres that bog down progress with small communities losing out and being swallowed up by bureaucrats that don't understand our issues. I am prepared to put my best foot forward if elected and I ask for your support as a candidate for the Bluff Community Board.
