

Invercargill City Council
Bluff Community Board
Electing 5 Board Members

Sam GRAHAM

My principal place of residence is in the Bluff Community Board area.

My wife and I moved to Bluff almost 3 years ago after we would spend many weekends enjoying the area with our kids and dogs. We purchased a small bit of land and built our home. I am

originally from Wellington but I have immersed myself into the community, as I am now part of the Bluff Volunteer Fire Brigade and I work for Bluff Sand Supply. In my spare time, I'll be taking our dog to Omaui, walking around the bush.

I want to join the Bluff Community Board to be part of continuing the great work of others before me, by listening to the needs of you, the Bluff community and trying to be the voice for all of us residents. Repair boat ramp; Community space for families;

Basketball court for kids.
