

Invercargill City Council

Electing 12 City Councillors

Eddie BLACKBURN

My principal place of residence is not in the Invercargill City Council area. I am also standing for Wallace Takitimu Community Board.

Hi,

I have lived in Otautau for over 30 year's.

I have previously been on the local Community

Board.

We brought how property in Invercargill 2006.

My Goal's on Council is to keep our rates down vote against any frivolous spending.

I believe that your elected represent should be making decisions rather than permanent council staff.

Permanent staff to enforce the bylaws equally to everybody not picking on one person and yet another person can do exactly the same thing be brought to council's attention and they refused to enforce their own bylaws.

I was on Community board in Otautau there was some Individuals trying to get rest of ratepayers to pay 100% of cost piping ditch running through their properties.

I was the only person to vote against it they only had to pay a small percentage cost.
