Independent. Sole group, nuclear fam

My principal place of residence is not in the Invercargill City Council area.

The imbalance of power between us and central government is precarious, and clearly deliberate. We need to make certain that Wellington listens and adjusts accordingly. Let's say no to situations

like having an out of district CE, and undemocratic, unjust and wasteful methods. With talented common sense councillors we will thrive. As Mayor, I would champion citizen led initiatives. My husband Darryl works for Southland Farm Services. I was a primary teacher. Our family lived in Invercargill for seventeen years and have lived at Makarewa for the last nine - just a hop, step and a jump from our city boundary. I am a fifth generation Southlander. The biggest point of difference is that I am not a politician.

Invercargill needs a social Mayor to harmonise the fearful, the diligent and the fighters. I am available to meet with groups.
