NOTES TO THE FINANCIAL STATEMENTS

For the year ended 30 June, 2018

9 Impact of change in accounting policies

The Trust has changed accounting policies relating to the treatment of grants that have been approved for payment but remain unpaid at balance date. In prior years such amounts would be accrued and shown in the Statement of Financial Performance as grant expenditure, and in the Statement of Financial Position as accrued expenditure.

The Trust has now decided to report these grants in the Notes to the Financial Statements as part of the commitments note (Note 8).

The Trust believe this accounting treatment better reflects the substance of such transactions and avoids mismatching the accounting treatment that would be applied by grant recipients.

The 2018 Annual Report is the first year in which this change in accounting policy has been applied.

The impact of this change in accounting policy is shown below by presenting the relevant statement lines as if they were calculated under the previous accounting policy.

INVERCARGILL COMMUNITY RECREATION & SPORTS TRUST

STATEMENT OF ACCOUNTING POLICIES

For the year ended 30 June, 2018

GENERAL INFORMATION

The financial statements presented here are for the Invercargill Community Recreation and Sports Trust ("the Trust"), which is a Trust incorporated and domiciled in New Zealand on 7 March 2001.

The financial statements of the Trust are for the year ended 30 June 2018. The financial statements were authorised for issue by the Board of Trustees on 18 September 2018. The Board of Trustees do not have the power to amend these financial statements once issued.

BASIS OF PREPARATION

The Board has elected to apply PBE SFR-A (PS) Public Benefit Entity Simple Format Reporting - Accrual (Public Sector) on the basis that the Trust does not have public accountability (as defined) and has total annual expenses of less than \$2 million.

The financial statements are presented in New Zealand Dollars (NZD). All transactions in the financial statements are reported using the accrual basis of accounting.

The financial statements are prepared on the assumption that the Trust will continue to operate in the foreseeable future.

The accounting policies set out below have been applied consistently to all periods presented in these financial statements.

GRANTS REVENUE

Grants are recognised as revenue when the funding is received unless there is an obligation to return the funds if conditions of the grant are not met ("use or return condition"). If there is such an obligation, the grant is initially recorded as a liability and recognised as revenue when conditions of the grant are satisfied.

FINANCE INCOME

Finance income is recorded as it is earned during the year.

EXPENDITURE

All expenditure is recognised in the Statement of Financial Performance in the period in which it is incurred.

GRANTS

Grants paid by the Trust are discretionary and are recognised as expenditure when they are paid.

Sport grants are paid when the organisation provides the Trust with documentation that the expenditure approved in the grant application has occurred.

Art grants are paid when an applicant is advised of their successful application. If the application has yet to finalise some aspects of the project, the grant is paid out when the finalised details are confirmed. Normal substantive conditions are applied to recipients in that they must provide progress reports to the Trust for review. These conditions are not deemed strict enough to require the Trust to defer recognising the grants as expenditure until they are met.

TAXATION

Invercargill Community Recreation & Sports Trust is a charitable organisation registered with the Charities Commission and is exempt from taxation. Accordingly no charge for income tax applies or has been provided for.

INVERCARGILL COMMUNITY RECREATION & SPORTS TRUST

STATEMENT OF ACCOUNTING POLICIES

For the year ended 30 June, 2018

BANK ACCOUNTS

Bank accounts are deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less.

DEBTORS

Debtors are initially recorded at the amount owed. When it is likely the amount owed (or some portion) will not be collected, a provision for impairment is recognised and the loss is recorded as a bad debt expense.

INVESTMENTS

Investments comprise investments in term deposits. Deposits with banks are initially recorded at the amount paid. If it appears that the carrying amount of the investment will not be recovered, it is written down to the expected recoverable amount.

GOODS AND SERVICES TAX

The Trust is registered for GST. All amounts in the financial statements are recorded exclusive of GST, except for debtors and creditors, which are stated inclusive of GST.

CREDITORS AND ACCRUED EXPENSES

Creditors and other payables are measured at the amount owed.

TIER 2 PBE ACCOUNTING STANDARDS APPLIED

The Trust has not applied any Tier 2 Accounting Standards in preparing its financial statements.

CHANGES IN ACCOUNTING POLICIES

The Trust has changed accounting policies relating to the treatment of grants that have been approved for payment but remain unpaid at balance date. In prior years such amounts would be accrued and shown in the Statement of Financial Performance as grant expenditure, and in the Statement of Financial Position as accrued expenditure.

The Trust has now decided to report these grants in the Notes to the Financial Statements as part of the commitments note (Note 8).

The impact of this change in accounting policy is presented in Note 9 to the Financial Statements.

Independent Auditor's Report

To the readers of Invercargill Community Recreation and Sport Trust's financial statements for the year ended 30 June 2018

The Auditor-General is the auditor of Invercargill Community Recreation and Sports Trust (the Trust). The Auditor-General has appointed me, Ian Lothian, using the staff and resources of Audit New Zealand, to carry out the audit of the financial statements of the Trust on his behalf.

Opinion

We have audited the financial statements of the Trust on pages 3 to 11 that comprise the statement of financial position as at 30 June 2018, the statement of financial performance and statement of cash flows for the year ended on that date and the notes to the financial statements that include accounting policies and other explanatory information.

In our opinion, the financial statements of the Trust:

- present fairly, in all material respects:
 - its financial position as at 30 June 2018; and
 - its financial performance and cash flows for the year then ended; and
- comply with generally accepted accounting practice in New Zealand in accordance with the Public Benefit Entity Simple Format Reporting – Accrual (Public Sector) Standard.

Our audit was completed on 18 September 2018. This is the date at which our opinion is expressed.

The basis for our opinion is explained below. In addition, we outline the responsibilities of the Trustees and our responsibilities relating to the financial statements, and we explain our independence.

Basis for our opinion

We carried out our audit in accordance with the Auditor-General's Auditing Standards, which incorporate the Professional and Ethical Standards and the International Standards on Auditing (New Zealand) issued by the New Zealand Auditing and Assurance Standards Board. Our responsibilities under those standards are further described in the Responsibilities of the auditor section of our report.

We have fulfilled our responsibilities in accordance with the Auditor-General's Auditing Standards.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the Trustees for the financial statements

The Trustees are responsible on behalf of the Trust for preparing financial statements that are fairly presented and that comply with generally accepted accounting practice in New Zealand. The Trustees are responsible for such internal control as they determine is necessary to enable them to prepare financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible on behalf of the Trust for assessing the Trust's ability to continue as a going concern. The Trustees are also responsible for disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting, unless the Trustees intend to wind up the Trust or to cease operations, or have no realistic alternative but to do so.

The Trustees' responsibilities arise from the Local Government Act 2002 and clause 8.3 of the Trust Deed of the Trust.

Responsibilities of the auditor for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit carried out in accordance with the Auditor-General's Auditing Standards will always detect a material misstatement when it exists. Misstatements are differences or omissions of amounts or disclosures, and can arise from fraud or error. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of readers taken on the basis of these financial statements.

We did not evaluate the security and controls over the electronic publication of the financial statements.

As part of an audit in accordance with the Auditor-General's Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. Also:

- We identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- We obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control.

- We evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Trustees.
- We conclude on the appropriateness of the use of the going concern basis of accounting by the Trustees and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements, or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Trust to cease to continue as a going concern.
- We evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Trustees regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Our responsibilities arise from the Public Audit Act 2001 and clause 8.3 of the Trust Deed of the Trust.

Independence

We are independent of the Trust in accordance with the independence requirements of the Auditor-General's Auditing Standards, which incorporate the independence requirements of Professional and Ethical Standard 1 (Revised): Code of Ethics for Assurance Practitioners issued by the New Zealand Auditing and Assurance Standards Board.

Other than in our capacity as auditor, we have no relationship with, or interests in, the Trust.
