

# Invercargill Active Communities Fund

## Administered by Active Southland

Providing funding that makes it better and easier for Invercargill residents to participate in sport, active recreation and play.

## Applications are now open for our 2023 funding rounds

### What can you apply for?

**Programme delivery** – costs involved in delivering new or expanded opportunities for sport, active recreation and play initiatives. Includes costs such as venue hire, equipment, transport to event, and staff/volunteer costs  
Age range: All ages. Up to \$10,000

**Volunteers/Officials** - projects improving the quality of physical activity opportunities. Includes, but is not limited to, volunteer and paid staff training and development, co-design activities, and club development  
Age range: All age. Up to \$5000.

**Travel** - up to \$500 to support individuals based in Invercargill. Up to \$2000 to contribute towards teams. Individuals and teams must not be professional or part of a national team.  
All ages.

**Accessibility** – resources for individuals who face financial difficulties. May include equipment and clothing, membership fees and transport costs. Applied for through Regional Sports Organisations, community groups or social agencies. Up to \$300 per individual.  
Age range: 5 to 25-years-old

### Higher priority will be given to applications that:

- Help people struggling to participate or currently missing out
- Are from organisations supporting high deprivation communities

### Funding round dates

- 5 April 2023
- 25 May 2023
- 25 July 2023
- 25 September 2023
- 25 November 2023
