### **Election signs and hoardings on Trailers**

11. An application (made on the Council's Trailer Advertising form) must be approved by Council Road Corridor Engineer prior to the trailer sign being located on the road.
12. Trailers shall only be permitted in 50 km/hour speed restriction areas.
13. Trailers shall be sited within a defined parking area, either bordered by a painted edge line or where sufficient carriageway width allows a minimum one (1) metre clearance between the trailer and through traffic.
14. Applicants shall obtain prior consent of adjacent property owners before siting a trailer.
15. The maximum dimensions of a trailer shall be 2.4 metres x 1.5metres.
16. The advertising sign shall have a maximum height above the trailer deck of 1 metre and shall be securely fixed to the trailer.
17. Trailers shall be sited with a minimum clearance of 2 metres from vehicle crossings and 10 metres from intersections.
18. Sight distances for motorists entering from adjacent side roads shall be checked to ensure that clear lines of visibility between approaching drivers are maintained and not obscured by the trailer or advertising sign.
19. Trailers shall be removed before nightfall.
20. The Group Manager - Infrastructure may arrange for non-complying trailers to be removed and confiscated with notice.

### **Reasons for conditions:**

Conditions 1 to 20 were imposed to ensure consistency with the application.

### **Advice note:**

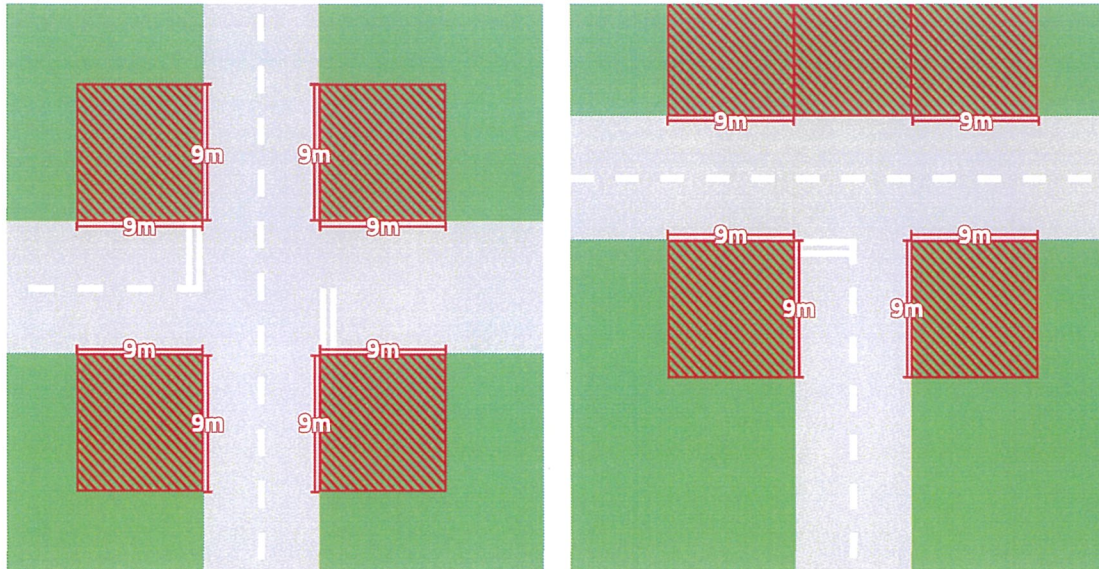

1. It is the consent holder's responsibility to comply with all conditions imposed on this resource consent during the exercise of it.
